

We're happy to have your child as a member of Roxbotix for its 2015-16 season! In the coming winter and spring, the team will spend an amazing amount of time and money building its robot and attending its competitions. You may think of your child as being a varsity athlete in a sport for the mind! For a successful season, the team's coaches and student team members need the same level of sport given to Roxbury's sports coaches and student athletes.

Last year, the Roxbotix Booster Club was formed to support our team, coaches, and activities, as robotics is an expensive and time-intensive sport, and involves a large amount of logistical issues. We hope to do even more this year.

We are hoping you will join us and provide financial support for the team. Meetings will begin soon, and we'll let you know when they are scheduled. All parents who join the Roxbotix Booster Club by December 1 will receive a yet-to-be-designed 2015-16 **Roxbotix T-Shirt** to be worn at tournaments when cheering on the team!

Please complete the form below and return to Suzette Pascua, the club's treasurer.

We're happy to have you on board!

Family Dues: \$50

Team Member's Name: _____

Parents' Names: _____

Address: _____

Home Phone Number: _____

Parent Cell Phone Number : _____
