## Notes:

The minimum recommended spending money each student should bring with them on the trip is \$80.

This is the [visitor's guide](https://www.rit.edu/gcr/firstrobotics/) for the event. (<https://www.rit.edu/gcr/firstrobotics/>)

This is the hotel's [web site](http://doubletree3.hilton.com/en/hotels/new-york/doubletree-by-hilton-hotel-rochester-ROCDTDT/). (<http://doubletree3.hilton.com/en/hotels/new-york/doubletree-by-hilton-hotel-rochester-ROCDTDT/>)

There is a swimming pool and workout room at the hotel. Students may use the workout room, but not the swimming pool.

Breakfast at the hotel is complimentary. The cost of dinner on Thursday and Friday was included with a student's trip cost.

Please limit luggage to 1 suitcase and 1 item that may be brought on the bus (such as a backpack).

Bringing non-perishable snack food and beverage items is permitted, including into the facility. However, food and beverages should not be consumed in the pit.

Students should bring homework and their Chromebooks. There will be ample time to work on homework.

If not having done so already, parents should sign up for Remind text messages from Mr. Hayden. He will be sending updates for parents throughout the weekend. Signing up for this service will allow parents to text Mr. Hayden privately using any Android or iPhone device. To sign up, text the message @roxbot to the number 81010.

There is a special Remind text group for all students. Students should join this group by texting the message @fd4g3h to the number 81010. Important logistical messages will be sent this way throughout the weekend.
